P. Terry's

What three words have been used to describe you?

Conscientious, driven, dependable

What excites you the most when thinking about your internship?

What excites me most about this internship is the chance to learn new things outside of a traditional classroom setting. I'm looking forward to being on the move, tackling real projects, and seeing how my work comes to life in a professional environment. I am also so excited to work with Monique. She's a boss, and I know I'll learn a lot from her leadership and expertise.
